PROFILE

+ **Extensive experience** designing for many successful and popular brands in the entertainment, men's, women's and lifestyle markets.

+ Versatile at adapting my design style to appeal to the visual tastes of the target audience on any project.

+ Confident at working to my own initiative or taking direction from others as required, with experience of directing other designers and commissioning illustrators and photographers.

+ Effective at communicating and collaborating successfully with colleagues and external contributors to achieve the best possible results within a production schedule and budget.

+ A meticulous attention to detail, maintaining high quality standards throughout a job, especially when preparing, checking or marking up final artwork and design files in prepress for print or digital publication and in carrying out high quality retouching and manipulation of images.

+ Well-regarded as an creative, hard-working, organised, easygoing and reliable team member with considerable experience of managing workloads to meet deadlines on a daily and weekly basis who is able to work well under pressure, adapt to new challenges and cope with fast-changing project requirements.

+ Expert in using Adobe InDesign, Adobe Photoshop and
Adobe Illustrator. Experienced in using Censhare, Emagine, Atex, CHP,
Content Watch, WoodWing Content Station, Purple DS Composer
(e-publishing), Desk-Net, Wordpress, Powerpoint, Keynote,
Adobe Acrobat and video editing in Adobe Premiere Pro and iMovie.
